Free to seniors

Handy Devices for Easier Living Make life simpler through assistive technology

Our speaker is Jamie Prioli of NJ Protection & Advocacy, Inc., who will talk about Assistive Technology devices. Come learn about and try out such devices as voice-activated light controls, "TouchTronic" lamp converters, the "Shake Awake" alarm clock, adapted knob handles for stove dials, and many other devices to make your life easier.

Co-sponsored by

The speaker in this seminar is not an employee or agent of the Senior Living Institute (609-987-3973).
